

## Lower Key Stage 2 Homework Challenges

This term your homework is linked to our topic all about our Material World. Please take care and remember you can present them in any way you like. Please remember your handwriting should be neat and cursive, just like in school! The date your challenges need to be returned to school is: **Friday 16<sup>th</sup> March 2016**

<p style="text-align: center;"><b><u>Growing.</u></b></p> <p>Plant something to grow at home. It can be something that will take a while to grow or something instant, like cress. Photographs, pictures or write up what you have done.</p> <p style="text-align: center;"><b>10 points</b></p>	<p style="text-align: center;"><b><u>Recipe</u></b></p> <p>Can you produce a favourite recipe and write it down so we can make a class cook book? Design your sheet carefully but make it colourful and attractive! <b>10 points</b></p>	<p style="text-align: center;"><b><u>Design a Poster</u></b></p> <p>Create a poster about Recycling. Make it as attractive as possible.</p> <p style="text-align: center;"><b>5 points</b></p>	<p style="text-align: center;"><b><u>Information booklet</u></b></p> <p>Choose a material and find out where it is from. Create a booklet about the country where your material comes from.</p> <p style="text-align: center;"><b>10 points</b></p>
<p style="text-align: center;"><b><u>Instructions</u></b></p> <p>Write the instructions of how to make your baked product.</p> <p style="text-align: center;"><b>5 points</b></p>	<p style="text-align: center;"><b><u>Particle picture</u></b></p> <p>Create a picture to show a solid, liquid or gas. For example, tightly packed beads to show a solid</p> <p style="text-align: center;"><b>10 points</b></p>	<p style="text-align: center;"><b><u>Board Game</u></b></p> <p>Create your own "Recycling" board game. Decide: what the track will be, number of players, obstacles, rewards, quiz questions, etc.</p> <p style="text-align: center;"><b>10 points</b></p>	<p style="text-align: center;"><b><u>Material Creation</u></b></p> <p>Create a picture/collage out of any material. It can be 3D if you like. Show us your creativity!</p> <p style="text-align: center;"><b>10 points</b></p>
<p style="text-align: center;"><b><u>Research</u></b></p> <p>Draw and label the different parts of a plant.</p> <p style="text-align: center;"><b>5 points</b></p>	<p style="text-align: center;"><b><u>Circuit Training</u></b></p> <p>Create your own Circuit like the one Mr Ellis does in PE. You can even try it out on your parents!</p> <p style="text-align: center;"><b>10 points</b></p>	<p style="text-align: center;"><b><u>Baking</u></b></p> <p>Make something at home that involves melting a solid (chocolate!) to create something you can eat. Pictures and photographs would be amazing. Enjoy! <b>15 points</b></p>
