

## Year 4 Writing Non-negotiables

a) Use a wide range of subordinating conjunctions at the beginning and end of sentences to add relevant detail to complex sentences. Eg "We put up our umbrellas **when it rained.**" or "**When it rained,** we put up our umbrellas."

b) Use appropriate pronoun or noun within and across sentences to aid cohesion and avoid repetition. Eg **Sam** was 10 years old. **He** loved playing football with his friends.

c) Use inverted commas and other punctuation to indicate direct speech consistently and reliably. Eg "Will you come to my party on **Saturday?**"

d) Use apostrophes to demark plural possession. Eg **Witches'** hats are usually pointed. The **children's** boots were muddy.

e) Use fronted adverbials Eg '**Later that day,** I went shopping.'

f) Use standard English forms for verb inflections e.g. we were, not 'we was' and I did, not 'I done'. Eg Today, **we were** solving problems in Maths. **I was** really pleased with my work.

g) Use expanded noun phrases with modifying adjectives and prepositional phrases, for example 'The **strict** (adjective) teacher with curly (adjective) hair stood **on** (preposition) the yard.

h) Can organise ideas appropriately for both purpose and reader (e.g. **relevant captions, headings, bullet points and letter formats**)

i) Write a narrative (story) with a clear structure, including setting, characters and plot. Eg **beginning, build up, problem, resolution, ending.**

j) Proof-read and edit in order to make improvements to spelling, punctuation, grammar and vocabulary using a dictionary where appropriate.

## End of year expectations

### Year 4

This booklet provides information for parents and carers on the end of year expectations for children in our school. The staff have identified these expectations as being the minimum requirements your child must meet in order to ensure continued progress throughout the following year.

All the objectives will be worked on throughout the year and will be the focus of direct teaching. Any extra support you can provide in helping your children to achieve these is greatly valued. If you have any queries regarding the content of this booklet or want support in knowing how best to help your child, please talk to your child's teacher.
