

# MOORSIDE PRIMARY SCHOOL AND NURSERY

## NEWSLETTER

Issue: 28

29th April 2019

Dear Parents/Carers,

What a start back to the new term...!! Our new identity as one school has definitely been celebrated as we become Moorside Primary School and Nursery. Never have I felt prouder of our school than today, when we could share our provision with you all. We are always reflecting on how we can improve our children's Primary school experience and welcome your thoughts, comments and ideas. As I said when I addressed the school this afternoon, we have high expectations for what the future holds for our children and indeed this begins at our school. It is not just a change of name today, but it is the start of our new journey, as one, where the sky is the limit.

This week..... we have our Reading Cafes tomorrow (30th April) from 3.20pm onwards - Year 6 will have SATs club instead! On Friday, We will be taking the children out to watch the Tour de Yorkshire race! If you would like to experience this with your child(ren), you are very welcome to do so! Please arrive at school no later than 11.30am to take them out onto the pavement on Harrogate Road.

We are hoping to recruit another Parent Governor for our Governing Board this half term. If you would like further information about what governance involves in terms of the role, time and commitment, please contact Mrs Dunn, and we will arrange for you to meet with our Parent Governor or Chair of Governors and myself for a chat.

We always share our learning for the new term and timetables for each class with learning letters and topic webs. These will be sent out to you by Friday.... Years 1 and 2 are focusing on Mini beasts led by the questions 'Why are bugs important to us?' and 'Do bugs have teeth'? Years 3-6 are learning about 'The Romans' led by the question 'What did the Romans do for us'? The children's learning across the curriculum will link to these themes and we look forward to sharing their outcomes with you!

I hope that you all had a great Easter holiday with your children and that they are ready and raring for a busy term ahead. As ever, if you have any concerns, queries or question about your child's learning or well-being, you are always welcome to contact us at school, so that we can support them together.

Best wishes,

Mrs Rowett
