

Year 1 Homework Challenge!

We have given you lots of activities to choose from and would like you to complete these over the Autumn term. We are sure that you will put in a lot of effort for each piece and you will enjoy presenting your homework to the rest of the class, sharing all your hard work. Each activity is worth a different amount of points - you **MUST** try to earn **100 points** over the term by completing the activities.

As you complete the activities please bring your homework into school - you don't have to wait until the end of term!

Share a story where the characters go on a journey. Think about journeys you have been on. Imagine journeys you would like to go on. 20 points	Can you find things at home that are 3D shapes? Can you build with them? Which ones are not so good for building? 20 points	Invent a new animal by mixing parts and names. You could have the body of one and the head of the other. Play with words to make a name using the original names. 10 points
Try and learn a new skill you find tricky by breaking it up and doing it lots of times. (e.g. drawing a face, tying a lace). Think about the steps you took to learn it. 40 points	Play a board game with your family. 20 points	Make an adult into a robot and give them directions to get to a place or thing? Can you get them through a maze? 30 points
Look at where you live on Google Maps and spot things 10 points	Draw your journey to school and the things you see. 10 points	Watch a film where the characters visit a rainforest. What do they see? What is it like? 30 points
Talk about special people in your family. You could draw pictures to help you talk about them.	Collect objects from the floor during a forest walk and sort them into different groups.	Invent a game using a ball.

20 points	10 points	20 points
