

Dear Children,

I have written lots of letters to your parents this week but I just wanted to write to you to say a HUGE well done! There have been so many of you working hard in school and at home. Your teachers and I are so proud of the way that you have taken all the changes in your stride. On Monday, we will be starting some class Zoom meetings. This is so that you will be able to see everyone's faces and share your learning together. The times for the meetings are:

Reception 9.15am

Year 1 10.00am

Year 2 10.30am

Year 3 11.00am

Year 4 11.30am

Year 5 1.15pm

Year 6 1.45pm

We hope that you will enjoy the activities in the Zoom meetings, which will also help you in your learning at home for the week. We will also be giving you some help with how to send messages to your teachers on Purple Mash, and they will be able to send comments back when they see the work that you are doing at home. It will be just like they do when they mark your books at school and will help you to keep making progress. Your Mums and Dads can also email us some photos of you taking part in learning at home, as well as completed tasks, so that we can send you a Marvellous Me! We hope to be able to put some of your wonderful work on our classroom walls, ready for when you come back to school. We JUST LOVED seeing what you were up to at home, last time our schools were closed.

It has been so lovely to hear about how you are getting on when we have spoken to some of your parents and we can also see what you are doing every day in your online learning!

100% of the children in Year 1 have completed their online tasks, which is a FABULOUS team effort. I think I will need to give the class who completes the most learning at home over the next half term a whole-class Headteacher Hot Chocolate! Please remember that we are always here if you need any help, not just in our Zoom meetings, but we are on the phone at any time during the school day. You also need to remember to **KEEP SAFE** on the **INTERNET** and report anything that you are worried about to your parents. Don't share any passwords and remember to always be kind to others.

I really miss having you ALL TOGETHER TEAM MOORSIDE... but I know that you will keep making us all as proud as ever in your learning at home and at school. Have fun in the snow this weekend!

I hope that you and your families stay safe.

With love from

Mrs Rowett
