

6<sup>th</sup> October 2021

Dear Parents,

Following my email and text this morning, I am writing with further information regarding the actions that we have taken, to limit any further transmission of Covid-19 within the Year 6 cohort and the wider school community.

Due to the rising number of cases with positive PCR results and lateral flow tests, the Governors and I have taken the decision to revert to remote learning for Year 6 and provide necessary key worker provision based on a negative lateral flow test. Your child can only attend school if you are a key worker and you have **no other childcare** and you have evidence of a negative lateral flow test (to be done on the day that your child needs to be in school).

This will be in place until Monday 11<sup>th</sup> October at 8.50am, when children who have had a negative lateral flow test and are not in isolation are welcome to come back into school. We will continue to provide remote learning and daily Zoom meetings at 1pm with the code 8244369848.

This is a decision that we have made as a school to keep everyone safe and we hope that by providing some time during the incubation period and additional deep cleaning of the learning environment, those who have not contracted the virus already, will be kept safe.

We have postponed the trip on Friday for Year 6 children and we will either rearrange when we are Covid-free or provide a refund if this is not possible.

Thank you again for your support and understanding. We hope that those who have tested positive will recover very soon.

Best wishes,

**Mrs Rowett**  
Headteacher
