

Anglo-Saxons (History)

Research Who the Anglo Saxons were and why they came to Britain. This website will help:

<http://www.primaryhomeworkhelp.co.uk/saxons.htm>

Use the information you find, to create the opening page of an Anglo-Saxons non-fiction information book. Remember to include pictures to engage your reader!

Settlements (History, Science and Geography)

Find out what life was like during the

Anglo-Saxon era to...**Design and make** an Anglo-Saxon settlement. Get creative! Can you label the **materials** that would have been used to make the settlement? How does it compare to a modern day settlement?

Materials (Science)

New materials can be discovered anywhere in the world. Some are by

accident, but often they are found by universities, factories or industries that have put money into research.

Discover how tarmac was invented by watching this clip

<https://www.bbc.co.uk/bitesize/clips/zqspyrd>. Can you discover how other materials were invented? Share your

findings in a

[Material Inventors Fact File.](#)

Internet safety

Ask as many people as you can (children and adults) how they stay safe on line.

Decide how to collect and present this data clearly to share with others during a computing lessons.

Maths Fun!

Make and write

instructions for a board game which requires you to use some of the maths skills you have learnt so far this year. Bring it into school to challenge your friends.

Anglo-Saxon Weaponry (History and Science)

Investigate the materials Anglo-Saxons used for their weaponry and

consider **WHY** they chose the materials they did, based on their properties. Eg/ glass is used for windows because it is transparent and strong.

Exploring (Writing)

Imagine any place you would like to explore in the world... Where in the world is it? What can you see? hear? smell? touch? taste? **Write** a diary entry to share your imaginary exploration.

Get Crafty! (Art and Science)

Textile Art uses varying materials and fibres to produce decorative, artistic objects. Use a range of materials to **create** your very own piece

of art! You could even try to create an Anglo-Saxon weapon using textile art!

Music Maestro (Geography and Music)

Write a  song or rap to help you and others in your class to memorise the continents and oceans of the world. **Practise** it ready to teach to the class.

Me and My Future (PHSCE)

Make a poster to share some TOP TIPS for working towards a positive future! What can you do now, to help you when you grow up?
