

Year 1 and 2 Homework Challenge - Our Changing World

We hope you enjoy completing the activities. Please take care and remember you can present them in any way you like. The date your challenges need to be returned to school is **7st July**.
Enjoy the Challenges!!

<p style="text-align: center;"><u>Ripon Hornblower</u></p> <p>Can you draw and label a picture of the horn which is used in the market square each night? You might need to look on the Internet to find a photo to help you.</p> <p>If you don't want to draw a picture, maybe you could make one. What materials could you use? What materials can you use to show the horn?</p>	<p style="text-align: center;"><u>Introducing Ripon</u></p> <p>Think about the area you live in. Make a list of the important physical and human features. You could spot some of these features on a walk around your area.</p>  <p>Design a poster to advertise Ripon. Why should people visit our city? What are the important features?</p>	<p style="text-align: center;"><u>Go on a detective walk</u></p> <p>Go on a walk in your local area. Take a photograph of any building that you think looks old (you might want to ask an adult to help you out here). Look at the photographs you have taken. Why do you think they are old? Could you put the photographs in order from the oldest to the youngest?</p> 
<p style="text-align: center;"><u>Maths</u></p>  <p>Have a go at learning your number bonds to 10 or 20. Play the game on Top marks called 'Hit The Button.' Can you beat your score? Or download the White Rose APP '1 Minute Maths.'</p> 	<p style="text-align: center;"><u>Which materials do we use?</u></p> <p>Watch the following BBC clip (which material do we use?) https://www.bbc.co.uk/bitesize/topics/zrsgk7/articles/z9pgcdm Think about why glass is a good material for a window and cotton is a good material for our clothes. What would happen if windows were made from cardboard or our clothes were made from rocks? Can you invent a silly object? Eg, a chocolate kettle, a glass football or a metal book. Why is your invention silly?</p>	<p style="text-align: center;"><u>Identifying Different materials</u></p>  <p>Have a look around your house and garden. What things can you find made from wood, plastic, glass, water, rock? How will you record what you have found? You could make a table or a bar chart, take photos or drawings. Which material was the most/least popular? Why do you think this?</p>
<p style="text-align: center;"><u>Art</u></p>  <p>Create a self-portrait using materials and skills of your choice. Here are some materials and skills you could include: sketching, collage (using a range of materials), pastels, paint. How can you best represent yourself through art?</p>	<p style="text-align: center;"><u>Description of a Space Alien</u></p>  <p>Imagine you met an alien who had travelled through space to reach our planet. Draw a picture of it and use adjectives to describe what it looks like.</p>	<p style="text-align: center;"><u>DT</u></p>  <p>Design and create a new rocket for your alien. What materials will you use?</p>
<p style="text-align: center;"><u>The Four Seasons</u></p> <p>Can you name the four seasons? How does the weather change during these seasons? Create a weather map to show what happens during the four seasons.</p> 	<p style="text-align: center;"><u>Mapwork</u></p> <p>Imagine you are a bird looking down at your house or street from above. Draw and label what you can see.</p> 	<p style="text-align: center;"><u>Transition</u></p>  <p>Think about the last year, what have you enjoyed the most? What is your proudest moment? Think about next year, what are you looking forward to? What are you hoping for? What do you want to achieve?</p>
