

5<sup>th</sup> January 2023

Dear Parents,

Mrs Jemmett will be running a SATs Club on a Thursday after school until 4.30pm. This will start on Thursday 19<sup>th</sup> January and every Thursday thereafter until SATs week in May.

This is an opportunity for the children in Year 6 to practice and revise areas of Maths, Reading and Grammar, to further support them in feeling prepared for their SATs tests in May.

In previous years, most children in the class have attended the sessions and have reported that it has helped them to develop their confidence. At the beginning of each session, children will be provided with a drink and a biscuit to boost their energy, ready for some fun learning activities!

Please complete the form below to indicate whether your child will be attending and whether an adult will be collecting them or whether they are given permission by you to walk home.

Kind regards,

Mrs Jemmett
