

Upper Key Stage 2 (Year 5 and 6) Homework Challenges

This term, your homework is linked to the whole school theme: Influential People. You can present the challenges in any way you like. Please remember your handwriting should be neat and cursive! **To be handed in before Friday 12th July.**

<p>Create a menu you would eat during the Victorian era. You will need to complete some research to help you... Looking at some different menus will also give you some ideas for how to structure your menu.</p> 	<p>Write an advert for a Victorian invention. Why should your reader buy this invention? What are the selling points? Use your powers of persuasion. You may need to research some Victorian inventions first to help you decide which one you would like to advertise!</p> 	<p>Write an acrostic poem based on the phrase Influential People. Can you include a wide range of descriptive vocabulary to make your poem really interesting to read? Think about what we have been learning in school to help you.</p> 
<p>Create a table, chart or Venn diagram to compare the similarities and differences between Victorian schools and Moorside School.</p> 	<p>Draw and label the human lifecycle to help recap your scientific knowledge. Remember to include the key scientific vocabulary.</p> 	<p>Have a go at making up a game using only marbles or a skipping rope. Write a set of clear instructions to explain to others how to play.</p> 
<p>Draw or trace a World map and find out about the British Empire. Consider how these countries in the British Empire have influenced Britain today.</p> 	<p>Research different types of transport people used in Victorian times and compare with today.</p>  <p><small>HANSON CAB photographed in London in 1895. (Smithsonian photo.)</small></p>	<p>Draw a Victorian person using pencil or a fine tip black pen. Use weak coffee or tea solution to paint over it to create a Victorian portrait with an 'aged' look. Remember – the Victorians did not smile in their portraits! VERY serious...</p>
