MOORSIDE

# In Reception our story for the next two weeks will be:

## 'Handa's Surprise'

*Here are some activities you could try at home*

## Fruit

Handa puts seven delicious fruits in her basket to take to her friend, Akeyo.

Can you remember the name of the fruits Handa took?

What fruits do you have at home? What fruits can you spot in the supermarket? Which ones do you like? Which is your favourite? What do they feel like? What do they smell like?

Draw a picture of your favourite fruit and write some words to describe it.

## Talk homework

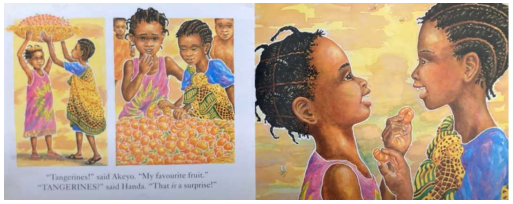
On the back of this page is the picture from the last page of the book.

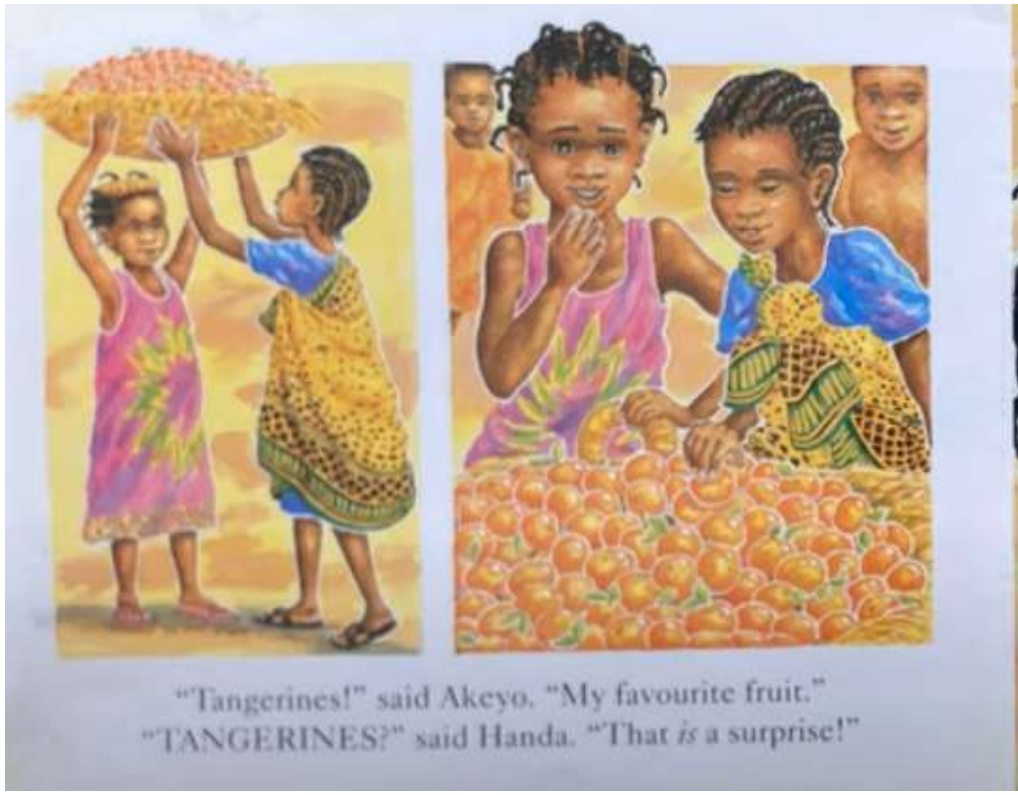
Talk to your grown up about what is happening in the picture. Use these questions to help.

Why is Handa surprised to see tangerines in her basket? What happened to the fruit along the way?

How does her friend Akeyo feel when Handa arrives with a present for her?

Grown-ups please video this conversation with your child. You could even upload it on to Tapestry!





"Tangerines!" said Akeyo. "My favourite fruit."
"TANGERINES?" said Handa. "That *is* a surprise!"
