Back to school	**SUMMER TERM 2025**	22.4.25	
May is local and community History month.			
Inventions	Topic launches linked to the theme – Inventions. The children will focus on famous inventors and the progression of inventions in different eras in history (**people**) as well as their inventions and discoveries that have changed and shaped our modern world (**environment**). The launch day events will provide opportunities for the children to ask questions and hook them into their learning across the curriculum, making **comparisons** with their prior learning and **interpreting** a range of sources of information to build on their prior knowledge. They will present their learning through showcase events, performances, presentations and productions.	Wc 22.4.25	All staff
VE Day – 80th Anniversary British Values – Individual liberty	The children will take part in a street party lunch to commemorate VE day for the 80th Anniversary celebrations. They will have an assembly to share why we celebrate VE day and understand what life was like at that time in history – this will link to their history learning (inventions). The children will sing songs and play games from that era. Their cross curricular writing may include news reports from VE day or about our Moorside event.	8.5.25	All staff CR and HJ (Assembly – P Price)
