

26th September 2025

Dear Parents/Carers

We would like to take Year 3 to Hell Wath during their Forest School session on Friday 3rd October. The children will be working to develop their Geographical knowledge of rivers and their fieldwork skills. They will identify the physical and human features of the River Skell, locating places on an OS map and carry out field sketches of a meander and tributary.

The children will need to come to school in their old clothes and bring their waterproofs and wellies as usual.

We will leave school at 9.15am and return in time for lunch time. If the children wish to bring their water bottle on the walk, they must bring a rucksack to carry it in.

The local visit consent form will be used for this trip.

Yours faithfully

Mrs Goss.
