MOORSIDE PRIMARY SCHOOL AND NURSERY NEWSLETTER

Dear Parents and friends,

I wanted to start our Newsletter with a HUGE 'congratulations' and 'well done' to Mrs Burland for completing the London Marathon in 3 hours and 38 minutes yesterday! Mrs Burland has raised £873 for Stroke UK and £2,825 for Cancer Research over the past 2 weeks - what worthy causes! We are super proud of her and loved seeing her medal in assembly this afternoon.

Thank you to our Chair of Governors, Mr Lea who gave up his time over the weekend to rebuild our very weathered and rotten raised beds that we use to plant our vegetables in Forest School. The children are learning about plants and seasons in several of our year groups this half term so will be so pleased to be able to use them.....we very much appreciate it!

Attendance

Well done everyone for 96.39% attendance overall last week! Mrs Jemmett is tracking all our children and will notify parents if there are areas of concern so if you receive a letter and would like some support with any aspect of helping your child to attend school more frequently, that's what we are here for!! Please do get in touch via the admin email or a call to the school office.

Clubs Start Today!

Our after-school clubs begin today for a period of 10 weeks. If for any reason your child cannot attend a club that they are allocated a space for, please let us know as there may be a waiting list. If it is a one-off absence, we still need to know so that we ensure that they are dismissed from school at usual collection time. Many thanks.

Girls Cricket

Yorkshire Cricket Club is hosting a Softball Summer Camp at Ripon Cricket Club on the 27th and 28th May for just £10 per day, from 10am - 3pm for girls between the ages of 8 and 11! If you are interested, please see the poster below.

Ro-cricket Competition

Well done to our Year 4 and 5 Ro-cricket team; Oliver, Victoria, Phoebe, Jessica, Kiala and Lilly in Year 5 and Charlotte, Zak, James and Noah in Year 4. All children represented our school with Moorside PRIDE at the cluster competition last week. They were really great team players.

Thankyou!

A HUGE thank you to Lee Hill Construction, who have sponsored some brilliant safety booklets for our children in Upper Key Stage 2. We will be using them throughout safety week (w/c 15th June), to teach the children about the different forms of safety, with different scenarios to make them think about the actions that they would take to help someone in each situation. Our assembly each Monday is teaching our children about a different aspect of safety each week too, with everything from water safety to stranger danger. The children are making some excellent contributions.

Sponsored Bounce Plea

We have had several sponsored bounce forms that have been returned without any sponsor money. If you need to send sponsor money into school, please put the name of the child that you sponsored on the envelope and 'For the Attention of FOMS'. Thanks so much!

I hope that you all have a wonderful week ahead and a great bank holiday weekend!

With very best wishes,

Mrs Rowett
Headteacher
