

17<sup>th</sup> June 2026

Dear Parents,

We are finalising arrangements for our upcoming trip to Edinburgh and would like to share the key information with you.

Children should arrive promptly at Northallerton Train Station at 6:45am. Breakfast will be provided on the train and the children have already been given the opportunity to suggest options.

Please ensure your child brings a small backpack containing:

- A packed lunch
- A refillable water bottle

There will be an opportunity for souvenir shopping. However, we ask that children bring no more than £10.00

Children should wear comfortable walking shoes, as there will be a lot of walking. Please ensure they are dressed appropriately for all weather conditions, including items such as:

- Suncream
- A hat
- A waterproof coat

For the return journey, tea will be a McDonald's meal, which will be pre-ordered and eaten on the train.

We expect to arrive back at Northallerton Train Station at approximately 9:40pm, where you can collect your child.

If you have any questions, please do not hesitate to get in touch.

Kind regards,

Mrs Jess Hunton
